

Lincoln Golf Club Seniors

Secretary's Update 27 June 2020

Gentlemen,

Well, it has been some time since I made contact with you, but to be honest, while there has been work going on in the background, there has been nothing that I could really report upon.

Our 3 running competitions are progressing well and certainly in regard to the knockouts we are keeping to the cut off times for each round. For the latest update visit our Website.

Today Louis has issued an email advising on Club Competitions, and providing all goes well this weekend, we should be in a position to resume our Competitions providing we can secure tee times, soon. I have asked that we be given consideration for tee times early on Monday, Wednesday and Friday. I have yet to have this confirmed, but do know it is in discussion. If we can have these morning slots I will propose that we play those Qualifying Competitions (from 6th July) on the dates shown in the Diary. We will also look to see if we can schedule in the QCs that we have missed (perhaps using the dates that we would have played the 9 cancelled Friendly Matches that would have taken place between July and October). Clearly the Seniors Section Committee need to meet to discuss this proposal and this will happen as soon as we have the Club's position on Tee times.

For the time being however, we can do nothing until the Club gets back to us in regard of securing Tee times. Please be assured that as soon as we can resume playing our QCs', we will, and I will send out the updated schedule, Rules and Guidance that will allow our Competitions to be run in a Covid safe way, particularly in regard to registering, score cards and payment. I am optimistic that I will be in a position to progress this soon. So until then.

Stay Safe

Kind Regards

Derek

LGC Seniors Section Secretary
