## Secretary's Update 6 July 2020

Gentlemen,

On a somewhat blustery day, we started our return to Competitive golf within the Seniors Section. A total of 38 of us turned out to play with 29 electing to turn out between 07:30 and 09:30hrs. For those 29 players please accept my thanks for following the published guidance. At no point did we have a large assembly of players within or outside the Clubhouse, so the alphabetical start times did serve their purpose. Next week I will roll the alphabet around so that the same players do not end up with the early start. I will issue the list nearer the time.

The Competition scores will not be Finalised until Friday, but on the basis of the unchecked scores the following scores are leading:

1st - Trevor Cutmore 43 Points  
2nd - Stuart Smith 42 Points  
3rd - Paul Donnelly 40 Points (OCB)  
- Terry Riley 40 Points

Many thanks to the last group out who finished their round after the Club closed. As requested, they photographed their cards and emailed them to me. Many thanks also to Dinesh, who was in the last group, and was able to enter their scores onto the system for me.

When I finalise the Competition in Intelligent Golf on Friday, you should all receive an email from the system advising that the Competition is Finalised and will show the scores and any associated handicap adjustments.

I will also provide a copy of the start sheet to the Treasurer who will charge £2 to your account. After the last Competition on 30 September, Paul will invoice you in regard to all the Competitions that you have entered, in order that you can arrange for a bank transfer to the Seniors Section account.

Diary entries for July 2020:

Monday 13 July - Centenary Cup  
Monday 20 July - Gordon Walker Cup

# Lincoln Golf Club Seniors

Wednesday 22 July - Thimbleby Trophy

Kind Regards

Derek

LGC Seniors Section Secretary
