3 August 2020	

As with previous Competitions, should you elect to play after 9:30am, please let me know in advance, in order that I know when to collect the cards from the Club. Also, if the Clubhouse is closed when you get in, please photograph your cards and send to me by email.

You can also elect to play your SF4SS during the Competition, please remember to notify John, in advance if you intend to do this. On the subject of SF4SS, there are still 5 weeks left to put in your scores. Terry Riley is currently 11 shots clear, so there is still an

opportunity to catch him up. The Committee have agreed that the prize payout for the Competition will be:

- 1st - £30
- 2nd - £20
- 3rd - £15
- 4th - £10
- 5th - £5

So there is still time to get into the prizes.

I will send out an Update on Monday with instructions on how we intend to control and manage the Seniors Barrel Foursomes which will be played on 24th August. Clearly we can not roll up and hold a draw for partners on the morning as on previous years, so an alternative method is being formulated.

Competitions for August

- Monday 3rd - Adams Tankard
- Wednesday 12th - Jackson Tankard
- Monday 17th - Derek Croucher Cup
- Monday 24th - Barrell Foursomes (sign up details in next Update)

Kind Regards
Derek
