As there has been a software hiccup on Intelligent Golf, some members have booked the 7:30 and 7:40 slots. I have resolved the 7:30 slot (thank you Jim and team), however, I am stuck with the 7:40 slot unless I can get Louis to take some form of action. As a result I have made plans for us to play in 4 Balls to try to ensure that there are enough tee slots for us all to get a game. I will be there from around 7am to try and ensure that we can progress at a reasonable rate.

I have had notification of one 3 ball who are playing after 9:30. Please remember that if you wish to do this, please let me know what your tee time is. This will help John to know when all the cards are in. Again if the Club is closed when you get in, please photograph your cards and send to John May. As we have a few new members since the Covid rules came in, can I please ask that you all refresh yourselves on the booking in procedure which you can view on the Seniors Website/News/'Qualifying Competitions General' and Qualifying Competitions Rules and Procedures'

Please remember that if you wish to play in the Barrell Foursomes, go to the [Club website](#) and follow the procedure outlined below:
