Secretary's Update 24 August 2020

Gentlemen,

A total of 28 players turned out this morning to compete for the Seniors Barrell Foursomes. Congratulations go to:

- 1st - John Shaw/Mike Hook - Net 70.5
- 2nd - Alwyn Littlewood/Phil Mason - Net 71
- 3rd - Stuart Smith/John Edlington - Net 73

John has now updated the following pages of the Seniors Website:

- Competitions
 - Barrell Foursomes
- History
 - Barrell Foursomes

You will be aware that the Club are keen that we do not waste Tee Slots by not filling our allocation between 7:30 and 9:30am on Competition days. Through use of pre-booking (as we did for this morning's Competition) I was able to free up 3 Tee slots between 9 and 9:30am back to the Club. For at least the next couple of competitions I would like to use the same system, where you indicate an intention to play online and I will do the random draw the morning before the Competition and then release any unused Tee slots back to the Club. In an attempt to retain the Seniors Ethos' your signing up is merely an indication of your intention to play. Should you get up on the morning of the Comp and not feel up to playing, do not turn out. I will ask that all who intend to play turn out 15 minutes before their tee time, this will allow adjustments to be made by bringing players forward to fill any gaps arising from no shows (I do not anticipate that we will need to do much of this). I realise that this may mean that the 4 ball setting out may not be the same as that shown on the system, but this can be managed locally and will not impact upon your ability to enter your scores post round. The introduction of this system will replace the current alphabetical roll up, but if we can make it work, I am optimistic that we can use it as an argument in support of managing Seniors 'Roll ups' on non-Competition days. To this end your support would be greatly appreciated.
