Vice-Captain's Away Day – Friday 20th June 2024

South Chesterfield Golf Club

This year's vice-Captain, Steve Friend, organised his away day at a course only he had played before. What we could see of the course from the car park was quite exposed and featureless. However, once you climbed the hill to the first tee the picture change drastically to reveal a course in excellent condition with quite spectacular views of the surrounding countryside.

The course was fair but testing with some small and intricate greens as witnessed by the scores listed below.

Starting the day with a bacon cob and unlimited drinks and ending with a very tasty steak pie completed what was an excellent day out at an extremely competitive price. A big thank you to Steve for organising his Away Day so well.

Congratulations to Gary Cheshire for his excellent 37 points making him the second winner of the Graham Cartwright Memorial Trophy
